### Reena and the Moon

Reena was a very lovely little girl who loves to read and write. She lived with her parents. One evening Reena's mother said, "Reena," after the Summer holidays, you are going to school.

She was happy that she would get to learn how to read and write. Reena started to wonder what school would really be like.

The night was very hot. She tiptoed outside. The moon was big and bright. Reena spoke to the moon. "Dear moon," she said, I am going to school tomorrow, what will it be like. Will they let me read and write? A gentle voice spoke to her. "Dear little Reena, school is wonderful place. You will learn many things: to read and write and to make many friends.

The time came for school. Mother held Reena's hand as they approached the school. By lunch time, Reena loved everything about school.
